Microsurgical Skills Course with Konjac Noodles

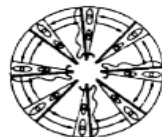

27 October 2022

5:30 – 8:30 PM

Venue: Anywhere!

Unique, **virtual** practical course aimed at trainees
(suitable for SHO's and junior registrars) over Zoom

Received **Best Abstract Award** in 2021 by the

ISEM

International Society
for Experimental Microsurgery

Published as **Editor's Choice** in
[European Surgical Research](#) in 2021

Course Directors: [Ankur Pandya](#) & Zhi Yang Ng

Course Fee: £300. Includes:

- Delivery of 3D printed microsurgical clamps and basic set of microinstruments + microsutures
- Individualised tutoring and feedback by national and international faculty
- Certificate of Attendance for Study Leave claims
- Completion of WBAs (if required)

Feedback from previous course (2021) and recent workshop at the RSM-PLASTA Congress (2022):

- “Excellent course which really helped me develop my microsurgical skills and technique”
- “great session and good tool for further home training”
- “awesome, super enthusiastic about the course”
